

Store Policy- Party Department

I.D. Required- Two (2) forms of identity are required. They may include Driver's License, Credit Card, Military ID, Draft Card, Passport or Employment ID Badge.

Minimum Age- You must be at least 18 years of age to rent equipment.

Deposit- A deposit is required on all rental items at the time of rental. This can be in the form of cash, a check that is signed but with an open amount, or a major credit card. For cash deposits, the amount will exceed the rental rate with the difference returned to the customer when the equipment is returned in proper condition.

Returned Checks- There is a \$40.00 charge for all checks, regardless of the reason. You are responsible to replace the check with cash, money order or certified bank check within 48 hours. Failure to do so will result in further collection efforts. You will be responsible for all court charges incurred.

Equipment Protection Charge- A mandatory 10% of rental (Equipment Protection Charge) will be added to tents. This charge enables the customer to be liable for the deductible portion of insurance only. Equipment that does not charge an Equipment Protection Fee leaves the responsibility for replacement costs completely on the customer. There are exclusions to coverage of the Equipment Protection Policy. See store sales representative for details.

Delivery/Pick-up- We will deliver and pick-up equipment for a fee over and above the rental rate. When renting a tent, the price includes delivery. Any other Party items rented with the tent will be delivered at no extra delivery fee

Returned Equipment- It is the customer's responsibility to return equipment in the same condition it was rented and in a clean condition. Failure to do so will result in additional charges. The exception to the cleaning policy is linens, which should not be washed by the customer.
